

# Kenai Crewsers Rowing Club

## Athlete Protection Policy

Adopted by the KCRC Board of Directors May 20, 2015

## **COMMITMENT TO SAFETY**

KENAI CREWSERS ROWING CLUB (hereafter KCRC) is committed to creating a safe and positive environment for athletes' physical, emotional and social development and to ensuring that it promotes an environment free of misconduct.

### **EXECUTIVE SUMMARY**

This is a plan to recognize, reduce and respond to athlete physical and sexual abuse and other types of misconduct in sport, including emotional, physical and sexual misconduct, bullying, harassment and hazing.

This policy uses strategies including: Training and Education; Screening staff members, volunteers and/or contractors; Establishing boundaries; Managing training and competition; Responding to abuse, misconduct and policy violations; and Monitoring our strategy.

### **STRATEGY 1: TRAINING AND EDUCATION**

This policy require staff members and/or volunteers to report abuse, misconduct and violations of its Athlete Protection Policy. To do so, staff members (coaches, riggers, admin, support staff at boathouses) and/or volunteers (volunteer coaches, parent chaperones, referees, other volunteers) should have a basic understanding of sexual abusers, as well as "grooming," the most common strategy offenders use to seduce their victims. Using a combination of attention, affection and gifts, offenders select a child, win the child's trust (and the trust of the child's parent or guardian), manipulate the child into sexual activity, and keep the child from disclosing abuse.

Accordingly, staff members and/or volunteer coaches complete an awareness training concerning misconduct in sport before performing services for KCRC.

Misconduct in sport includes:

- Bullying
- Harassment
- Hazing
- Emotional misconduct
- Physical misconduct, and
- Sexual misconduct, including child sexual abuse

Staff members and/or volunteer coaches must successfully complete the training and the quiz after the test.

Those staff members and/or volunteer coaches who are required to take awareness training will take athlete awareness training every two (2) years, or no more than 30 day(s) before they have contact with athletes.

Awareness Training- SafeSport Training Online:

<http://training.teamusa.org/store/details/1>.

To access the training:

1. Click link.
2. Click "add to bag"
3. Click "checkout"
4. Click register and then complete the form, making sure to select Rowing on the drop down list.

Upon completion, the trainee will receive a PDF certificate of completion and his or her name will be added to the list of those who completed the program via USRowing. Completed certificates can be kept on file by the member organization.

## **STRATEGY 2: SCREENING STAFF MEMBERS, CONTRACTORS AND VOLUNTEER COACHES:**

### **APPLICANT SCREENING**

Staff members, contractors and/or volunteer coaches must consent to, and pass, a formal applicant screening process before performing services for KCRC.

Elements of our screening process include, as applicable, successful completion of an application, interview, reference check and criminal background check.

### **EDUCATION ABOUT CLUB'S PROTECTION POLICIES**

To deter applicants who may be at risk of abusing athletes or participants from applying for positions, KCRC educates its applicants about its protection policies and offers applicants an early opt-out by:

- Requiring awareness training before placement and/or before working with athletes and participants
- Informing applicants about our policies and procedures relevant to prevention
- Asking applicants to review and agree to our policies and procedures before proceeding with the process
- Requiring applicants to sign a document acknowledging review of our policies and procedures

## **WRITTEN APPLICATIONS**

Each applicant will be required to submit a cover letter, a CV, covering personal, identifying information and a general release with applicant's signature or verbal consent and three references.

## **PERSONAL INTERVIEW**

Coach Hiring Committee will interview applicants whose experience and credentials are considered a fit for available positions. During this interview, KCRC will ask questions to encourage discussion, clarify responses and expand on the applicant's answers to questions from the written application.

## **REFERENCES**

References of applicants will be contacted (either by phone or in writing) and asked specific questions regarding the applicant's professional experiences, demeanor and appropriateness for involvement with minor athletes and participants.

## **RELEASE**

Each applicant will also provide a release (signed or verbal consent), consistent with federal, state and local laws regulating employment practices, that allows references to speak freely about the applicant's qualifications without fear of reprisal and authorizing KCRC to obtain information concerning an applicant's past employment, volunteer experience and information provided by the applicant during the screening process (i.e., written application and personal interview).

## **CRIMINAL BACKGROUND CHECK POLICY**

All applicants will be asked to undergo a criminal background check that complies with the Fair Credit Reporting Act **before** providing services for KCRC. Through this criminal background check, KCRC will utilize reasonable efforts to ascertain past criminal history of an applicant.

## **PROCESS**

The Criminal Background Check must be submitted and the applicant cleared before he or she may perform services for KCRC.

KCRC has a vendor perform the criminal background check. As part of its criminal background check, at a minimum and without limitation,

- (1) perform a national search of state criminal repositories;
- (2) perform a search of state sexual offender registries; and
- (3) verify a person's identification against his or her social security number or other personal identifier.

## **POTENTIALLY DISQUALIFYING FACTORS**

### **Criminal History**

KCRC will use a criminal background check to gather information about an applicant's prior criminal history. The information revealed by the criminal background check may disqualify an applicant from serving as a staff member, contractor and/or volunteer.

Information that could disqualify an applicant includes, but is not limited to, arrests, pleas of no contest and criminal convictions—especially if the underlying criminal behavior involved sex or violence.

### **Pending Court Cases**

No decision will be made on an individual's eligibility for work as a new staff member, contractor and/or volunteer if they have a pending court case for any of the potentially disqualifying offenses until the pending case concludes. If, however, during the case's pendency, the organization undertakes an independent investigation and conducts a hearing, any determination may be used to disqualify the individual.

### **Full Disclosure**

Each applicant has the affirmative duty to disclose his or her criminal history. Failing to disclose or intentionally misrepresenting an arrest plea or conviction history in an application or any other information provided by an applicant during the screening process is grounds for employment, volunteer and/or membership revocation or restriction, regardless of when the offense is discovered.

- If an applicant (1) is arrested, (2) pleas or (3) is convicted of a crime other than a traffic offense during the screening process, the applicant is required to disclose such information immediately.
- In the event a person is serving as a staff member, contractor or volunteer and (1) is arrested, (2) pleas or (3) is convicted after the completion of the screening process, he or she has an affirmative duty to disclose such information immediately to his or her supervisor or CLUB administrator.
- **Any applicant who has been banned by another sport organization, as temporarily or permanently ineligible, must self-disclose this information. A failure to disclose is a basis for disqualification for potential applicants.**

## **FINDINGS**

Notice of findings will be provided to:

- (1) The designated applicant;
- (2) KCRC Board of Director's in executive session;

### (3) OTHER DESIGNATED INDIVIDUALS, WHERE NECESSARY TO PROTECT THE SAFETY OF MINORS

KCRC'S criminal background check report will return a "red light" or "green light" score. A green light score means that the background check vendor located no records that would disqualify the applicant. A green light score, however, is not a certification of safety or permission to bypass/ignore other screening efforts. Other disqualifying factors may exist, and can be revealed through an interview, reference checks and a completed application.

Note: A "green light" finding does not mean that an individual is safe to work with children. Instead a "green light" indicates that no criminal history was found that would disqualify the individual from working with children.

A **red light** finding means the criminal background check revealed criminal records which suggest the applicant "does not meet the criteria" and is not suitable for organization employment or volunteer assignment.

Individuals who are subject to disqualification under a "red light" finding may challenge the accuracy of the reported information reported by the criminal background check vendor.

#### **Appeal to Criminal Background Check Vendor**

##### **APPEAL TO CRIMINAL BACKGROUND CHECK VENDOR**

Any disqualified individual has the right to dispute the findings of the criminal background check directly with the KCRC's approved Criminal Background Check Vendor. A disqualified individual may not appeal the automatic disqualification or the results of the findings of the criminal background check vendor to KCRC. KCRC is required by the policy to accept the findings of the approved criminal background check vendor.

Individuals automatically disqualified are excluded from participation in any KCRC sanctioned events and/or activities.

##### **FREQUENCY OF CRIMINAL BACKGROUND CHECKS**

Criminal background checks will be refreshed every year or as otherwise required by law, for staff members and/or volunteer coaches who are 18 years of age or older and perform services for KCRC.

### **AFFIRMATIVE DUTY TO DISCLOSE**

If, during the course of employment or participation in KCRC's program, a staff member or volunteer coach is accused, arrested, indicted or convicted of a criminal offense against a child, it is the duty and responsibility of the staff member or volunteer to notify an immediate supervisor, a KCRC administrator or a member of the KCRC Board of Directors.

### **OTHER POTENTIALLY DISQUALIFYING FACTORS**

Even if an applicant passes a criminal background check, other factors may disqualify an applicant. An individual may be disqualified and prohibited from providing services for KCRC if the individual has:

- Been held liable for civil penalties or damages involving sexual or physical abuse of a minor
- Been subject to any court order involving any sexual or physical abuse of a minor, including but not limited to domestic order or protection
- A history with another organization (employment, volunteer, etc.) of complaints of sexual or physical abuse of minors
- Resigned, been terminated or been asked to resign from a position - paid or unpaid - due to complaint(s) of sexual or physical abuse of minors
- A history of other behavior that indicates they may be a danger to participants in KCRC; or
- Not met the job requirements

### **REVIEW OF DISQUALIFIERS**

KCRC will review its disqualifiers every two years or as otherwise required or modified by law.

### **RECORDS**

Records are secured onsite for a period indicated by applicable law or until the applicant is no longer affiliated with KCRC, whichever date is later.

## **STRATEGY 3: ESTABLISHING BOUNDARIES:**

### **Overview**

In the event that any staff member or volunteer observes inappropriate behaviors (i.e., policy violations), suspected physical or sexual abuse, or misconduct, it is the personal responsibility of each staff member and volunteer to immediately report his or her observations to an immediate supervisor, the KCRC President or a member of KCRC'S Board of Directors.

KCRC is committed to creating a safe and positive environment for athletes' physical, emotional and social development and to ensuring that it promotes an environment free of misconduct.

**Staff members and volunteers should not attempt to evaluate the credibility or validity of child physical or sexual abuse allegations as a condition for reporting to appropriate law enforcement authorities.** Instead, it is the responsibility of each staff member and volunteer to immediately report suspicions or allegations of child physical or sexual abuse to an immediate supervisor, KCRC's President or a member of KCRC'S Board of Directors. Complaints and allegations will be addressed under KCRC'S Disciplinary Rules and Procedure.

KCRC recognizes that the process for training and motivating athletes will vary with each coach and athlete, but it is nevertheless important for everyone involved in sport to support the use of motivational and training methods that avoid misconduct.

### **Application**

This Policy applies to

- Staff members and volunteer coaches
- KCRC'S athletes and participants

Staff members, volunteer coaches, athletes and participants shall refrain from all forms of misconduct, which include:

- Bullying
- Harassment
- Hazing
- Emotional misconduct
- Physical misconduct
- Sexual misconduct, including child sexual abuse.

## **PROHIBITED CONDUCT**

### **Child Sexual Abuse**

- (1) Any sexual activity with a child where consent is not or cannot be given. This includes sexual contact with a child that is accomplished by deception, manipulation, force or threat of force, regardless of the age of the participants, and all sexual interactions between an adult and a child, regardless of whether there is deception or the child understands the sexual nature of the activity.

**Note concerning peer-to-peer child sexual abuse:** Sexual contact between minors also can be abusive. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power and/or intellectual capabilities.

(2) Any act or conduct described as child sexual abuse under federal or state law.

***Exception***

None

***Examples***

Sexually abusive acts may include sexual penetration, sexual touching or non-contact sexual acts such as verbal acts, sexually suggestive electronic or written communications, exposure or voyeurism.

**Emotional Misconduct**

(1) A pattern of deliberate, non-contact behavior that has the potential to cause emotional or psychological harm to an athlete. Non-contact behaviors include:

- a. verbal acts
- b. physical acts
- c. acts that deny attention or support

(2) Any act or conduct described as emotional abuse or misconduct under federal or state law (e.g. child abuse, child neglect).

***Exception***

Emotional misconduct does not include professionally-accepted coaching methods of skill enhancement, physical conditioning, team building, discipline or improving athletic performance.

***Examples***

Examples of emotional misconduct prohibited by this policy include, without limitation:

(1) **Verbal Acts.** A pattern of verbal behaviors that (a) attack an athlete personally (e.g., calling them worthless, fat or disgusting) or (b) repeatedly and excessively yelling at a particular participant or participants in a manner that serves no productive training or motivational purpose.

(2) **Physical Acts.** A pattern of physically aggressive behaviors, such as (a)

throwing sport equipment, water bottles or chairs at, or in the presence of, participants; or (b) punching walls, windows or other objects.

- (3) **Acts that Deny Attention and Support.** A pattern of (a) ignoring an athlete for extended periods of time or (b) routinely or arbitrarily excluding participants from practice.

***Note: Bullying, harassment, and hazing, defined below, often involve some form of emotional misconduct.***

### **Physical Misconduct**

- (1) Contact or non-contact conduct that results in, or reasonably threaten to, cause physical harm to an athlete or other sport participants; or
- (2) Any act or conduct described as physical abuse or misconduct under federal or state law (e.g. child abuse, child neglect, assault).

### ***Exceptions***

Physical misconduct does not include professionally-accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline or improving athlete performance. For example, hitting, punching, and kicking are well-regulated forms of contact in combat sports, but have no place in rowing.

### ***Examples***

Examples of physical misconduct prohibited by this Policy include, without limitation:

- (1) **Contact offenses.** Behaviors that include:

- (a) punching, beating, biting, striking, choking or slapping an athlete;
- (b) intentionally hitting an athlete with objects or sporting equipment;
- (c) providing alcohol to an athlete under the legal drinking age (under U.S. law);
- (d) providing illegal drugs or non-prescribed medications to any athlete;
- (e) encouraging or permitting an athlete to return to play pre-maturely following a serious injury (e.g., a concussion) and without the clearance of a medical professional;
- (f) prescribing dieting or other weight-control methods (e.g., weigh-ins, caliper tests) without regard for the nutritional well-being and health of athlete.

- (2) **Non-contact offenses.** Behaviors that include:

- (a) isolating an athlete in a confined space (e.g., locking an athlete in a small

- space);
- (b) forcing an athlete to assume a painful stance or position for no athletic purpose (e.g. requiring an athlete to kneel on a harmful surface);
- (c) withholding, recommending against or denying adequate hydration, nutrition, medical attention or sleep.

***Note: Bullying, harassment and hazing, defined below, often involve some form of physical misconduct.***

### **Sexual Misconduct**

- (1) Any touching or non-touching sexual interaction that is (a) nonconsensual or forced, (b) coerced or manipulated, or (c) perpetrated in an aggressive, harassing, exploitative or threatening manner;
- (2) Any sexual interaction between a minor athlete and an individual with evaluative, direct or indirect authority. Such relationships involve an imbalance of power and are likely to impair judgment or be exploitative; or
- (3) Any act or conduct described as sexual abuse or misconduct under federal or state law (e.g. sexual abuse, sexual exploitation, rape)

**Note: An imbalance of power is always assumed between a coach and an athlete.**

### ***Types of Sexual Misconduct***

Types of sexual misconduct include:

- (1) sexual assault,
- (2) sexual harassment,
- (3) sexual abuse, or
- (4) any other sexual intimacies that exploit an athlete. **Minors cannot consent to sexual activity with an adult**, and all sexual interaction between an adult and a minor is strictly prohibited.

### ***Exceptions***

None

### ***Examples***

Examples of sexual misconduct prohibited under this Policy include, without limitation:

- (1) **Touching offenses.** Behaviors that include:
  - (a) fondling an athlete's breasts or buttocks

- (b) exchange of reward in sport (e.g., team placement, scores, feedback) for sexual favors
- (c) genital contact
- (d) sexual relations or intimacies between persons in a position of trust, authority and/or evaluative and supervisory control over athletes or other sport participants.

**Comment**

**(1) Authority and Trust.** Once the unique coach-athlete relationship is established, the authority and trust on the part of the coach over the athlete shall be assumed, regardless of age. Accordingly, sexual interaction or intimacies between a coach and an athlete or other participant are prohibited, regardless of age, both during coaching and during that period following coaching if an imbalance in power could jeopardize effective decision-making.

**Imbalance of Power.** Factors relevant to determining whether there is an imbalance of power include, but are not limited to: (a) the nature and extent of the coach's supervisory, evaluative or other authority over the athlete being coached; (b) the actual relationship between the parties; (c) the parties' respective roles; (d) the nature and duration of the sexual relations or intimacies; (e) the age of the coach; (f) the age of the athlete or participant; (g) and whether the coach has engaged in a pattern of sexual interaction with other athletes or participants.

**(2) Exception.** This section does not apply to a pre-existing relationship between two spouses or life partners.

- (2) Non-touching offenses.** Behaviors that include:
- (a) a coach discussing his or her sex life with an athlete
  - (b) a coach asking an athlete about his or her sex life
  - (c) coach requesting or sending a nude or partial-dress photo to athlete
  - (d) exposing athletes to pornographic material
  - (e) sending athletes sexually explicit or suggestive electronic or written messages or photos (e.g. "sexting")
  - (f) deliberately exposing an athlete to sexual acts
  - (g) deliberately exposing an athlete to nudity (except in situations where locker rooms and changing areas are shared)
  - (h) sexual harassment; specifically, the sexual solicitation, physical advances, or verbal or nonverbal conduct that is sexual in nature, and
    - a. is unwelcome, offensive or creates a hostile environment, and the offending individual knows or is told this

- b. is sufficiently severe or intense to be harassing to a reasonable person in the context.

### **Bullying**

- (1) An intentional, persistent and repeated pattern of committing or willfully tolerating physical and non-physical behaviors that are intended, or have the reasonable potential, to cause fear, humiliation or physical harm in an attempt to socially exclude, diminish or isolate the targeted athlete(s), as a condition of membership
- (2) Any act or conduct described as bullying under federal or state law

### **Exceptions**

Bullying does not include group or team behaviors that (a) are meant to establish normative team behaviors, or (b) promote team cohesion.

For example, bullying does not include verbal admonitions to encourage team members to train harder and to push through a difficult training regimen.

### **Examples**

Examples of bullying prohibited by this Policy include, without limitation:

- (1) **Physical behaviors.** Behaviors that include (a) hitting, pushing, punching, beating, biting, striking, kicking, choking, or slapping an athlete; (b) throwing at, or hitting an athlete with, objects such as sporting equipment.
- (2) **Verbal and emotional behaviors.** Behaviors that include (a) teasing, ridiculing, intimidating; (b) spreading rumors or making false statements; or (c) using electronic communications, social media, or other technology to harass, frighten, intimidate or humiliate (“cyber bullying”).

### **Harassment**

- (1) A repeated pattern of physical and/or non-physical behaviors that (a) are intended to cause fear, humiliation or annoyance, (b) offend or degrade, (c) create a hostile environment or (d) reflect discriminatory bias in an attempt to establish dominance, superiority or power over an individual athlete or group based on gender, race, ethnicity, culture, religion, sexual orientation, gender expression or mental or physical disability; or
- (2) Any act or conduct described as harassment under federal or state law

### ***Exceptions***

None

### ***Examples***

Examples of harassment prohibited by this Policy include, without limitation:

- (1) **Physical offenses.** Behaviors that include (a) hitting, pushing, punching, beating, biting, striking, kicking, choking or slapping an athlete or participant; (b) throwing at or hitting an athlete with objects including sporting equipment.
- (2) **Non-physical offenses.** Behaviors that include (a) making negative or disparaging comments about an athlete's sexual orientation, gender expression, disability, religion, skin color, or ethnic traits; (b) displaying offensive materials, gestures, or symbols; (c) withholding or reducing playing time to an athlete based on his or her sexual orientation.

### **Hazing**

- (1) Coercing, requiring, forcing or willfully tolerating any humiliating, unwelcome or dangerous activity that serves as a condition for (a) joining a group or (b) being socially accepted by a group's members; or
- (2) Any act or conduct described as hazing under federal or state law

### ***Exception***

Hazing does not include group or team activities that (a) are meant to establish normative team behaviors or (b) promote team cohesion.

### ***Examples***

Examples of hazing prohibited by this Policy include, without limitation:

- (1) requiring, forcing or otherwise requiring the consumption of alcohol or illegal drugs
- (2) tying, taping or otherwise physically restraining an athlete
- (3) sexual simulations or sexual acts of any nature
- (4) sleep deprivation, otherwise unnecessary schedule disruption or the withholding of water and/or food
- (5) social actions (e.g. grossly inappropriate or provocative clothing) or public displays (e.g. public nudity) that are illegal or meant to draw ridicule
- (6) beating, paddling or other forms of physical assault
- (7) excessive training requirements focused on individuals on a team

**Comment:** Activities that fit the definition of hazing are considered to be hazing regardless of an athlete's willingness to cooperate or participate.

KCRC discourages a coach from dating or establishing a relationship with an adult rower in KCRC. If this occurs the coach must tell the Board of Directors or President of the board.

### **WILLFULLY TOLERATING MISCONDUCT**

It is a violation of this Athlete Protection Policy if a staff member and/or volunteer coach knows of misconduct, but takes no action to intervene on behalf of the athlete(s), participant(s), staff member, and/or volunteer.

### **REPORTING**

Although these policies are designed to reduce child sexual abuse and other misconduct, it can still occur. Staff members, volunteers and participants of KCRC shall follow the reporting procedures set forth in KCRC'S Reporting Policy. **KCRC does not investigate suspicions or allegations of child physical or sexual abuse, or attempt to evaluate the credibility or validity of such allegations, as a condition of reporting suspicions or allegations to the appropriate law enforcement authorities.**

### **VIOLATIONS**

Violations of the Athlete Protection Policy shall be reported pursuant to our Reporting Policy and will be addressed under our Code of Conduct.

## **STRATEGY 4: MANAGING TRAINING and COMPETITION**

### **SUPERVISION OF ATHLETES AND PARTICIPANTS, particularly minor athletes** {text only pertaining to minor athletes will be in italics.}

During training and competition, KCRC strives to create two-deep leadership and minimize one-to-one interactions to create a safe training environment and to protect athletes and participants.

#### **APPROPRIATE ONE-ON-ONE INTERACTIONS**

##### **Individual Meetings**

An individual meeting may be necessary to address an athlete's concerns, training program, or competition schedule. Under these circumstances, coaches, staff members and/or volunteer coaches are to observe the following guidelines:

- Any individual meeting should occur when others are present and where interactions can be easily observed
- Where possible, an individual meeting should take place in a publicly visible and open area, such as the corner of the rowing site
- If an individual meeting is to take place in an office, the door should remain unlocked and open
- If a closed-door meeting is necessary, the coach, staff member and/or volunteer coach must inform another coach, staff member and/or volunteer and ensure the door remains unlocked

##### **Individual Training Sessions**

An individual training session(s) with an athlete or participant may also be desired or necessary. *Under these circumstances, written permission of a minor athlete's parents or guardians is required in advance of the individual training session(s), and KCRC encourages parents and guardians to attend the training session.*

#### **PROHIBITED ONE-ON-ONE INTERACTIONS**

*Except as set forth above, minor athletes and participants will not be left unattended or unsupervised during KCRC activities and KCRC coaches, staff members and/or volunteer coaches are prohibited from being alone with an individual athlete or participant in any room or building.*

## **PHYSICAL CONTACT WITH ATHLETES**

Appropriate physical contact between athletes and coaches, staff members, contractors or volunteer coaches is a productive and inevitable part of sport. Athletes are more likely to acquire advanced physical skills and enjoy their sport participation through appropriate physical contact. However, guidelines for appropriate physical contact reduce the potential for misconduct in sport.

### **APPROPRIATE PHYSICAL CONTACT**

KCRC adheres to the following principles and guidelines in regards to physical contact with our athletes:

#### **Common Criteria for Appropriate Physical Contact**

Physical contact with athletes – for safety, consolation and celebration – has multiple criteria in common which make them both safe and appropriate. These include:

- the physical contact takes place in public
- there is no potential for, or actual, physical or sexual intimacies during the physical contact
- the physical contact is for the benefit of the athlete, not to meet an emotional or other need of an adult

#### **Safety**

The safety of our athletes is paramount and in many instances we make the athletic space safer through appropriate physical contact. Examples include:

- spotting an athlete so that they will not be injured by a fall or piece of equipment
- positioning an athlete's body so that they more quickly acquire an athletic skill, get a better sense of where their body is in space, or improve their balance and coordination
- making athletes aware that they might be in harm's way because of other athletes practicing around them or because of equipment in use
- releasing muscle cramps

#### **Celebration**

Sports are physical by definition and we recognize participants often express their joy of participation, competition, achievement and victory through physical acts. We encourage these public expressions of celebration, which include:

- greeting gestures such as high-fives, fist bumps, and brief hugs
- congratulatory gestures such as celebratory hugs, “jump-arounds” and pats on the back for any form of athletic or personal accomplishment

### **Consolation**

It may be appropriate to console an emotionally distressed athlete (e.g., an athlete who has been injured or has just lost a competition). Appropriate consolation includes publicly:

- embracing a crying athlete
- putting an arm around an athlete while verbally engaging them in an effort to calm them down (“side hugs”)
- lifting a fallen athlete off the playing surface and “dusting them off” to encourage them to continue competition

### **PROHIBITED PHYSICAL CONTACT**

Prohibited forms of physical contact, which shall be reported immediately under our Reporting Policy include, without limitation:

- asking or having an athlete sit in the lap of a coach, administrator, staff member or volunteer coach
- lingering or repeated embraces of athletes that go beyond the criteria set forth for acceptable physical contact
- slapping, hitting, punching, kicking or any other physical contact meant to discipline, punish or achieve compliance from an athlete
- “cuddling” or maintaining prolonged physical contact during any aspect of training, travel or overnight stay
- playful, yet inappropriate contact that is not a part of regular training, (e.g., tickling or “horseplay” wrestling)
- continued physical contact that makes an athlete obviously uncomfortable, whether expressed or not
- any contact that is contrary to a previously expressed personal desire for decreased or no physical contact, where such decreased contact is feasible in a competitive training environment.

### **VIOLATIONS**

Violations of this policy must be reported to a supervisor, KCRC administrator, or member of the KCRC Board of Directors and violations will be addressed under our

Code of Conduct. Some forms of physical contact may constitute child physical or sexual abuse that **must be reported to appropriate law enforcement authorities.**

## **ELECTRONIC COMMUNICATIONS AND SOCIAL MEDIA POLICY**

As part of KCRC's emphasis on athlete safety, all electronic communications between a coach and athlete must be professional in nature and for the purpose of communicating information about team activities.

*As with any communication, the content of any electronic communication should be readily available to share with the minor athlete's family. At the request of a parent or guardian, any email, electronic text, social media or similar communication will copy or include the athlete's parents or guardians.*

### **FACEBOOK, MYSPACE, BLOGS AND SIMILAR SITES**

*Coaches may not have minor athletes of KCRC's Team join a personal social media page. Athlete members and parents can friend the official KCRC's Team page and coaches can communicate to athlete members through the site. All posts, messages, text, or media of any kind between coach and athlete must be professional in nature and for the purpose of communicating information about team activities or for team-oriented motivational purposes.*

### **TWITTER, INSTANT MESSAGING AND SIMILAR MEDIA**

Coaches and athletes may "follow" each other. Coaches cannot "re-tweet" athlete message posts. All posts between coach and athlete must be for the purpose of communicating information about team activities.

### **EMAIL AND SIMILAR ELECTRONIC COMMUNICATIONS**

Athletes and coaches may use email to communicate. All email content between coach and athlete must be professional in nature and for the purpose of communicating information about team activities. Where the coach is a staff member and/or volunteer, email from a coach to any athlete should come from the club website email center (the coach's return email address will contain "@kenaicrewsers.org").

### **TEXTING AND SIMILAR ELECTRONIC COMMUNICATIONS**

*Texting is allowed between coaches and minor athletes. All texts between coach and minor athlete must be professional and for the purpose of communicating information about team activities.*

## **ELECTRONIC IMAGERY**

From time to time, digital photos, videos of practice or competition, and other publicly obtainable images of the athlete – individually or in groups – may be taken. These photos and/or videos may be submitted to local, state or national publications, used in club videos, posted on club or club associated websites, or offered to the club families seasonally on disc or other electronic form. It is the default policy of KCRC to allow such practices as long as the athlete or athletes are in public view and such imagery is both appropriate and in the best interest of the athlete and the club. Imagery must not be contrary to any rules as outlined in KCRC's Athlete Protection Policy.

## ***REQUEST TO DISCONTINUE ALL ELECTRONIC COMMUNICATIONS OR IMAGERY***

*The parents or guardians of a minor athlete may request in writing that their child not be contacted by any form of electronic communication by coaches (photography or videography).*

## **MISCONDUCT**

Social media and electronic communications can also be used to commit misconduct (e.g., emotional, sexual, bullying, harassment, and hazing). Such communications by coaches, staff, volunteers, administrators, officials, parents or athletes will not be tolerated and are considered violations of our Athlete Protection Policy.

## **VIOLATIONS**

Violations of KCRC's Electronic Communications and Social Media section should be reported to your immediate supervisor, a KCRC administrator or a member of KCRC's Board of Directors for evaluation. Complaints and allegations will be addressed under KCRC's Code of Conduct.

## **CHANGING AREAS-including porta potty and club tent**

The following guidelines are designed to maintain personal privacy as well as to reduce the risk of misconduct in changing areas.

## **FACILITIES**

The following is a description of our practice and competition facilities to allow athletes and their families to plan their use:

We practice at:

Mile 1.5 Bear Lake Road, Seward

This location has: a wall tent, with curtain area for changing and a porta potty.

Our home competitions will be held at: mile 1.5 Bear Lake Road, Seward. The location has : a wall tent, with curtain area for changing and a porta potty.

When we travel for competition the facilities may differ from location to location. We will work with the host team to provide as much information about the locker room and changing areas as early as possible, and post that information as soon as it's available.

### **MONITORING**

KCRC has staggered practices, with different groups arriving and departing throughout the day. It is therefore not practical to constantly monitor changing areas over this extended course of time.

*Coaches and staff make every effort to recognize when a minor athlete goes to the changing area during practice and competition and, if they do not return in a timely fashion, we will check on the athlete's whereabouts.*

*We discourage parents from entering changing areas unless it is truly necessary. In those instances, it should only be a same-sex parent. If this is necessary, parents should let the coach or administrator know about this in advance.*

*If an athlete needs assistance with his or her uniform or gear, or an athlete's disability warrants assistance, then we ask that parents let the coach or an administrator know beforehand that he or she will be helping the athlete.*

### **MIXED-GENDER TEAMS**

If the team consists of both male and female athlete, both female and male privacy rights must be given consideration and appropriate arrangements made. Where possible, KCRC has the male and female team members dress/undress in separate locker rooms and then convene in a single dressing room before for a team meeting. Once the event is finished, the club members may come to one locker room and then the male and female team members proceed to their separate dressing rooms to undress and shower (separately), if available. If separate locker rooms are not available, then the athletes will take turns using the locker room to change.

### **USE OF CELL PHONES AND OTHER MOBILE RECORDING DEVICES**

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras increase the risk for different forms of misconduct in locker rooms and changing areas. As a result, **THERE WILL BE NO USE OF A DEVICE'S RECORDING CAPABILITIES IN THE LOCKER ROOMS OR CHANGING AREAS.**

Violations of this policy will be addressed under the Code of Conduct and may result in the sanctions as set forth therein, including temporary suspension from competition.

## **TRAVEL**

Travel will be a standard aspect of our competitive season and KCRC has established policies to guide our travel, minimize one-on-one interactions and reduce the risk of misconduct. Adherence to these travel guidelines will increase athlete safety and improve the competitive experience while keeping travel a fun and enjoyable experience.

### **LOCAL AND TEAM TRAVEL**

We distinguish between travel to training, practice and local competition (“local travel”), and team travel involving a coordinated overnight stay (“team travel”).

#### **Local Travel**

Local travel occurs when KCRC does not sponsor, coordinate, or arrange for travel. For local travel, athletes or their parents/guardians (for minor athletes) are responsible for making all travel arrangements. In these instances it is the responsibility of the athlete or their parents/guardians (for minor athletes) to ensure the person transporting the athlete maintains all safety and legal requirements, including, but not limited to, a valid driver’s license, proper insurance, well maintained vehicle, and compliance with all state laws.

*In an effort to minimize one-on-one interactions, KCRC staff members, coaches and/or volunteers, who are not also acting as a parent, should not drive alone with an unrelated athlete and should only drive with at least two other athletes or another adult at all times, unless otherwise agreed to in writing by the minor athlete’s parent or guardian in advance of travel. In any case where a staff member and/or volunteer is involved in the athlete’s local travel, a parental release is required in advance. Efforts must be made to ensure that staff and/or volunteers are not alone with an athlete or participant, by, e.g., picking the athletes up in groups.*

*Coaches, staff members and volunteers who are also an athlete’s guardian may provide shared transportation for any athlete(s). We encourage guardians to pick up their athlete first and drop off their athlete last in any shared or carpool travel arrangement. We also recommend completing a shared travel declaration form signed by the parents/guardians of any minor athlete who is being transported as part of such a carpool arrangement.*

## **Team Travel**

Team travel is overnight travel that occurs when KCRC sponsors, coordinates or arranges for travel so that our teams can compete locally, regionally, nationally or internationally. Because of the greater distances, coaches, staff, volunteers and chaperones will often travel with the athletes. However, no coach, staff member, or volunteer will engage in team travel without the proper safety requirements in place, including valid drivers' licenses, proper insurance, well-maintained vehicles and compliance with all state laws.

*KCRC makes efforts to provide adequate supervision for minor age athletes through coaches and other adult chaperones.*

For team travel, hotels and air travel will be booked in advance. Athletes will share rooms, with 2-4 athletes assigned per room depending on accommodations. *KCRC will also notify hotel management should any special arrangements be warranted.*

We encourage family members who wish to stay in the team hotel to do so. *If family members do not stay in the team hotel, we encourage all athletes to call parents and guardians regularly and allow for any unscheduled calls by either the athlete or parent/guardian.*

## **TRAVEL NOTIFICATION**

When possible, KCRC will provide reasonable advance notice before team travel. Notice will include the dates, location and duration of competition. Travel notice will also include designated team hotels for overnight stays as well as a contact person within KCRC. This individual will be the point of contact to confirm your intention to travel and to help with travel details.

KCRC will post specific travel itineraries when they become available. *For minor age athletes, these will include a more detailed, hour-by-hour itinerary as well as contact information for team travel chaperones.*

## **MIXED-GENDER AND MIXED-AGE TRAVEL**

KCRC is made up of male and female athletes across various ages. *Minor athletes will only share a room with other athletes of the same sex and age group. Minor athletes will also be grouped by age and sex for the purposes of assigning an appropriate chaperone. We will make every effort to provide these groups at least one chaperone of the same sex. However, we rely on parents to serve as chaperones and may be limited in providing this match.*

*Regardless of gender, a coach shall not share a hotel room or other sleeping arrangement with a minor age athlete (unless the coach is the parent, guardian, sibling or spouse of that particular athlete). Where an adult is registered both as a coach and an athlete member of KCRC, and is functioning primarily as a coach, he or she may share sleeping arrangements with an adult rower or another registered coach of the same gender.*

## **COACH AND STAFF RESPONSIBILITIES**

During team travel, coaches and staff members will help athletes, fellow coaches and staff members adhere to policy guidelines, including, without limitation, the Travel Policy, Changing Areas Policy and Reporting section of this policy.

*If a coach or staff member transports a minor athlete or other minor organization member in their private car for team travel, a copy of the coach's or staff member's valid driver's license is required.*

When not practicing, training, competing, or preparing for competition, coaches and staff will monitor the activities of athletes, fellow coaches and staff during team travel. Coaches and staff will:

- a. prepare athletes for team travel and make athletes aware of all expectations. *Supplemental information will be given to parents/guardians of athletes who are considered inexperienced travelers, new or relatively new to team travel.*
- b. familiarize themselves with all travel itineraries and schedules before the initiation of team travel
- c. conform to, and monitor for others' adherence, the Athlete Protection Policy and all policies during team travel
- d. *encourage minor athletes to participate in regular, at least daily, scheduled communications with their parents/guardians*
- e. help athletes be on time for all team commitments (as possible)
- f. assist with team travel logistical needs (as possible)
- g. *support chaperones and/or participate in the monitoring of athletes for adherence to curfew restrictions set based on age and competition schedule as listed in travel itinerary*
- h. *ensure athletes are complying with hotel room restrictions based on gender or age bracket requirements*
- i. *make certain that athletes are not alone in a hotel room with any adult apart from a family member; this includes coaches, staff and chaperones*
- j. *not use drugs or alcohol in the presence of minors or be under the influence*

- of alcohol or drugs while performing their coaching duties*
- k. immediately report any concerns about physical or sexual abuse, misconduct, or policy violations
  - l. *notify parents before taking any disciplinary action against a minor athlete if the athlete is traveling without his or her parents.*

### **CHAPERONE RESPONSIBILITIES**

*Chaperones accompany team travel to ensure that the athletes, coaches, staff, and volunteers adhere to the KCRC's policy guidelines.*

*If a chaperone has not undergone a criminal background check and KCRC's awareness training, the chaperone will not be permitted to have any one-on-one interactions with minor age athletes or other youth participants. If a chaperone has undergone a criminal background check and awareness training, he or she may have appropriate one-on-one interactions as outlined in KCRC's Athlete Protection Policy.*

*If a chaperone will be operating a private car for team travel, a copy of the chaperone's valid driver's license is required.*

*Chaperones will monitor the activities of all coaches, staff members, volunteers and athletes during team travel. Specifically, chaperones will:*

- a. *familiarize themselves with all travel itineraries and schedules before team travel*
- b. *monitor for adherences to club policies during team travel*
- c. *encourage minor athletes to participate in regular, at least daily, scheduled communications with their parents/guardians*
- d. *help athletes be on time for all team commitments (as possible)*
- e. *assist coaches, staff and other volunteers with team travel logistical needs (as possible)*
- f. *monitor athletes for adherence to curfew restrictions set based on age and competition schedule as listed in travel itinerary*
- g. *ensure athletes comply with hotel room restrictions based on gender or age bracket requirements*
- h. *not use drugs or alcohol in the presence of minors or be under the influence of alcohol or drugs while performing their chaperone duties*
- i. *make certain that athletes are not alone in a hotel room with any adult apart from a family member; this includes coaches, staff and chaperones*
- j. *immediately report any concerns about sexual and physical abuse, misconduct or policy violations to a KCRC administrator or a member of*

## **STRATEGY 5: RESPONDING to ABUSE, MISCONDUCT and other POLICY VIOLATIONS**

### **REPORTING POLICY**

Every KCRC staff member and/or volunteer must report:

- (1) violations of the KCRC's Athlete Protection Policy,
- (2) misconduct as defined in KCRC's Athlete Protection Policy, and
- (3) suspicions or allegations of child physical or sexual abuse.

**As a matter of policy, KCRC does not investigate suspicions or allegations of child physical or sexual abuse or attempt to evaluate the credibility or validity of such allegations as a condition for reporting to the appropriate law enforcement authorities.**

### **Reporting Child Physical or Sexual Abuse**

#### ***Child Physical or Sexual Abuse***

Staff members and/or volunteers at KCRC are required to report suspicions or allegations of child sexual abuse by a colleague or co-worker, to:

- (1) their immediate supervisor,
- (2) a KCRC administrator,
- (3) a member of KCRC's Board of Directors and,
- (4) where applicable, **appropriate law enforcement authorities.**

### ***Grooming***

Because sexual abusers "groom" children for abuse – the process used by offenders to select a child, to win the child's trust (and the trust of the child's parent or guardian), to manipulate the child into sexual activity and to keep the child from disclosing abuse – it is possible that a staff member and/or volunteer may witness behavior intended to groom a child for sexual abuse. All questions or concerns related to inappropriate, suspicious or suspected grooming behavior should be directed to an immediate supervisor or a member of the KCRC's Board of Directors.

### ***Peer-to-Peer Sexual Abuse***

Approximately 1/3 of all child sexual abuse occurs at the hands of other children and the obligation to report extends to peer-to-peer child sexual abuse. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power or intellectual capabilities. **If you have any concerns that an interaction between children may constitute sexual abuse, report it to the appropriate law enforcement authorities and a KCRC supervisor or a member of KCRC's Board of Directors immediately.**

### **Reporting Misconduct and Policy Violations**

If any staff member and/or volunteer coach receives an allegation or observes misconduct or other inappropriate behavior, such as grooming, that is not reportable to the appropriate law enforcement authorities, it is the responsibility of each staff member and/or volunteer to report their observations to:

- (1) their immediate supervisor,
- (2) a member of KCRC Board of Directors.

KCRC also encourages member parents, athletes and other sport participants to communicate violations of KCRC's Athlete Safety Handbook and/or allegations and suspicions of child physical and sexual abuse to a member of KCRC's Board of Directors. Where applicable, parents may also report to the appropriate law enforcement authorities.

## **REPORTING PROCEDURE**

### **To Whom to Report**

Staff members and volunteer coaches may report to any supervisor or KCRC Board member with whom they are comfortable sharing their concerns. You may also report to any member of the KCRC Board of Directors, which includes the following three designated Incident Review Officials (IROs):

- President of the KCRC Board of Directors
- Vice President of the KCRC Board of Directors
- Treasurer of the KCRC Board of Directors

A staff member and/or volunteer coaches may, and in many cases must, report any allegation of child physical or sexual abuse to relevant law enforcement authorities.

### **How to Report**

KCRC will take a report in the way that is most comfortable for the person initiating a report including an anonymous, in-person, verbal or written report. Regardless of how you choose to report, it is helpful to KCRC for individuals to provide, at a

minimum, (1) the name of the complainant(s); (2) the type of misconduct alleged and the name(s) of the individual(s) alleged to have committed the misconduct.

### ***Reporting Form***

Individuals reporting child physical or sexual abuse or other misconduct may complete an Incident Report Form. Information on this form will include:

- 1) the name(s) of the complainant(s)
- 2) the type of misconduct alleged
- 3) the name(s) of the individual(s) alleged to have committed the misconduct
- 4) the approximate dates the misconduct was committed
- 5) the names of other individuals who might have information regarding the alleged misconduct
- 6) a summary statement of the reasons to believe that misconduct has occurred

KCRC will withhold the complainant's name on request, to the extent permitted by law.

A copy of KCRC'S Reporting Form can be found at: <http://kenaicrewsers.org/Forms/SafeSportPolicy.pdf>

## **CONFIDENTIALITY, ANONYMOUS REPORTING AND BAD-FAITH ALLEGATIONS**

### **Confidentiality**

To the extent permitted by law, and as appropriate, KCRC will keep confidential the complainant's name on request, not make public the names of potential victims, the accused perpetrator or the people who made a report of child physical and sexual abuse to the authorities.

### **Anonymous Reporting**

KCRC recognizes it can be difficult for an athlete, teammate, friend or family member to report an allegation of misconduct and strives to remove as many barriers to reporting as possible. **Anonymous reports may be made without the formality of completing an Incident Report Form:**

- by completing the Reporting Form without including their name
- by expressing concerns verbally to a member of KCRC's Board of Directors
- through email, texts or notes left for a member of KCRC's Board of Directors.

**However, anonymous reporting may make it difficult for KCRC to investigate or properly address allegations.**

All suspicions of child physical or sexual abuse will be reported to the appropriate law enforcement authorities.

#### **“Whistleblower” Protection**

Regardless of outcome, KCRC will support the complainant(s) and his or her right to express concerns in good faith. KCRC will not encourage, allow or tolerate attempts from any individual to retaliate, punish, allow or in any way harm any individual(s) who reports a concern in good faith. Such actions against a complainant will be considered a violation of our Athlete Safety Handbook and grounds for disciplinary action.

#### **Bad-Faith Allegations**

A report of abuse, misconduct or policy violations that is malicious, frivolous or made in bad faith is prohibited. Such reports will be considered a violation of our Athlete Safety Handbook and grounds for disciplinary action. Depending on the nature of the allegation, a person making a malicious, frivolous or bad-faith report may also be subject to civil or criminal proceedings.

### **HOW REPORTS ARE HANDLED**

#### **Suspicious or Allegations of Child Physical or Sexual Abuse**

##### ***Reporting to Law Enforcement and/or Child Protective Services***

An independent investigation can harm youth and/or interfere with the legal investigative process. KCRC, its staff members and/or volunteer coaches **do not attempt to evaluate the credibility or validity of child physical or sexual abuse as a condition for reporting to appropriate law enforcement authorities.** As necessary, however, KCRC may ask a few clarifying questions of the minor or person making the report to adequately report the suspicion or allegation to law enforcement authorities.

For mandatory reporting laws, visit [www.childwelfare.gov](http://www.childwelfare.gov).

##### ***Immediate Suspension or Termination***

When an allegation of child physical or sexual abuse is made against a staff member, youth and/or volunteer coach, KCRC may immediately remove that individual from contact with any children in the program until the allegation has been investigated by an official agency. As necessary, KCRC may suspend or change the assignment of a staff member and/or volunteer coach.

A staff member or volunteer coaches' failure to report to a supervisor or member of the KCRC's Board of Directors is a violation of this policy and grounds for termination of a staff member and/or dismissal of a volunteer coach.

### **Misconduct and Policy Violations**

KCRC addresses internally alleged policy violations and misconduct – bullying, harassment, hazing, emotional, physical and sexual – that are not reportable under relevant state or federal law. Staff members and/or volunteer coaches must report policy violations and misconduct to an immediate supervisor or member of KCRC's Board of Directors.

KCRC may also investigate allegations of child physical or sexual abuse that are reportable, if such investigation does not interfere with any ongoing criminal investigation or prosecution for abuse. Such allegations may include:

- Emotional abuse
- Abuse reported outside the relevant statutes of limitation
- Allegations of abuse that were reported to authorities, but: (a) legal authorities did not press criminal charges; (b) criminal charges were filed, but not pursued to trial; or (c) the alleged offender was acquitted at trial

### **NOTIFICATION**

Following KCRC's notice of a credible allegation that results in the removal of an employee, coach or other volunteer, KCRC may consider the circumstances in which it will notify other parents of athletes with whom the accused individual may have had contact. In KCRC's discretion, as appropriate, and after consultation with counsel, KCRC may notify its staff members, contractors, volunteers, parents, and/or athletes of any allegation of child physical or sexual abuse or other criminal behavior that (1) law enforcement authorities are actively investigating; or (2) that KCRC is investigating internally. Advising others of an allegation may lead to additional reports of child physical or sexual abuse and other misconduct.

### **DISCIPLINARY RULES AND PROCEDURE**

While KCRC endeavors to provide support and guidance to participants on a day-to-day basis, it is also important for KCRC to have a formal procedure for disciplinary action to address alleged violations of its policies and other inappropriate behaviors, which is consistent with KCRC's Code of Conduct.

## **APPLICATION**

This Policy is used to address the following allegations against staff members, athletes, participants and/or volunteers:

- Violations of KCRC's policies; and/or
- Child abuse (emotional, physical or sexual) that does not involve an ongoing legal investigation or criminal prosecution.

**KCRC will not investigate an allegation of child physical or sexual abuse if it undermines or interferes with a pending legal investigation or criminal prosecution.**

## **DISCIPLINARY RULES**

KCRC recognizes that there are varying levels of misconduct. For example, physical and sexual misconduct are serious violations that may result in immediate dismissal. In contrast, a youth participant who tells a single sexually risqué joke constitutes less serious misconduct and depending on the circumstances, might be dealt with more appropriately through dialogue and a verbal warning. In all cases, KCRC's disciplinary procedures and actions will be proportionate, reasonable and applied fairly and equally.

## **DISCIPLINARY PROCEDURE**

On receipt of an allegation, KCRC will determine in its discretion the appropriate steps to address the conduct based on several factors, including (i) the age of the complainant or victim, (ii) the age of the accused and (iii) the nature, scope, and extent of the allegations.

KCRC will address allegations against a staff member and/or volunteer under its Code of Conduct.

KCRC's disciplinary response will depend on the nature and seriousness of the incident and in extreme cases, misconduct will result in immediate summary dismissal, provided that the accused individual shall be advised of their right to a hearing. If the accused individual is a minor, KCRC will contact his or her parents or guardians.

## **DISCIPLINARY ACTION**

Sanctions for violations of the Athlete Safety Handbook will be proportionate and reasonable under the circumstances. In addition to day-to-day guidance, the KCRC may take the following disciplinary actions, without limitation:

- Inform the individual's direct-line supervisor or, in the case of a youth participant, the youth's parent or guardian
- Provide the individual with guidance, redirection and instruction
- Temporary suspension from competition and practices

- File a formal incident report
- Issue a verbal warning
- Issue a written and/or final written warning
- Implement a limited access agreement (e.g., limiting an individual's access to certain buildings or to youth)
- Provide informed supervision, where at least one staff member is informed of the allegation and is instructed to vigilantly supervise the accused participant or stakeholder in his or her interactions with the program and/or organization
- Engage in restorative practices, i.e., creation of a respectful and safe dialogue when a misunderstanding or harm has occurred
- Suspend or terminate employment or membership

### **ONGOING EMPLOYMENT AND/OR PARTICIPATION**

On receipt of a credible and specific allegation of child abuse or other serious misconduct (e.g., physical and sexual abuse as defined in our Athlete Protection Policy), KCRC may immediately suspend or terminate the accused individual to ensure participant safety.

### **COMPLAINANT PROTECTION**

Regardless of outcome, KCRC will support the complainant(s) and his or her right to express concerns in good faith. KCRC will not encourage or tolerate attempts to retaliate, punish or in any way harm any individual(s) who report(s) a concern in good faith. Such actions will be grounds for disciplinary action.

### **BAD-FAITH ALLEGATIONS**

Any individual who alleges misconduct under the Athlete Safety Handbook that, upon review, is determined to be malicious, frivolous or made in bad faith will be a violation of our Athlete Safety Handbook. Bad-faith allegations may also be subject to criminal or civil proceedings.

## **STRATEGY 6: MONITORING YOUR STRATEGY**

By monitoring the interactions among staff, volunteers, athletes, and others; KCRC works to prevent, recognize and respond to inappropriate and harmful behaviors as set forth in our Athlete Safety Handbook, while reinforcing appropriate behaviors.

### **MONITORING COMPLIANCE WITH POLICIES AND PROCEDURES**

KCRC monitors for compliance with its policies and procedures, including without limitation its Awareness Training, Travel, Locker Room and Changing Areas, and Physical Contact sections within this policy.

## **MONITORING METHODS**

KCRC utilizes multiple monitoring methods to observe how individuals are interacting, including without limitation (1) formal supervision, including regular evaluations; and (2) informal supervision, including regular and random observation (e.g., roving and checking interactions throughout practices), and (3) maintaining frequent contact with staff members, volunteer and athletes who interact off-site.

## **RESPONDING TO INTERACTIONS**

While KCRC has a formal reporting policy, staff members and volunteers should be prepared to respond immediately to inappropriate or harmful behavior, potential risk situations and potential boundary violations.

Staff members and volunteers will redirect inappropriate behaviors to promote positive behaviors, confront inappropriate or harmful behaviors, and report behaviors if necessary.

## **REPORTING**

Staff members and volunteers are required to report policy violations, misconduct and physical and sexual abuse consistent with KCRC's Reporting Policy. **KCRC does not investigate suspicions or allegations of child physical or sexual abuse or attempt to evaluate the credibility or validity of such allegations as a condition for reporting to appropriate law enforcement authorities.**
